**Come out as early as you can after work or school- 5pm start time first night. Learn to sail or use this opportunity to improve your confidence and skills on the water! All ages and skill levels are welcome.**

**The lessons will be based on Canadian Yachting Association standards. Under the guidance of qualified SSCA instructors, the focus will be on spending as much time as possible in the sailboats. Safety and self rescuing skills will be important components of the course. The sailboats will be the two man 420 dinghies, however if you prefer to use your own boat that's fine too.**
